PULBOROUGH COMMUNITY TRANSPORT SCHEME

DRIVERS URGENTLY NEEDED

Pulborough Community Transport Car Scheme is in desperate need of new drivers who can spare a few hours a week. Your help will enable us to spread this lifeline to more people within our community. The scheme is operated by volunteer drivers, using their own cars to take people who have difficulty in using public transport to essential appointments such as doctors and dentists.

A MILEAGE ALLOWANCE IS PAID - It's flexible, varied, rewarding and more often than not it's FUN. If you would like to know more, PLEASE contact the scheme's coordinator: Gill Boys on 01798 839363 – she will be delighted to hear from you !
